

MP3 Sensor

Product Holder **Small with Wings**

About Octopus

Shopguard had been known mainly as a manufacturer of EAS systems based on RF technology. In recent years however we have also introduced top-of-the-line retail security products such as the Octopus loop alarm system. This State-of-the-Art loop alarm system has been a worldwide success lately with the largest Electronics retailers from Europe through North America.

Octopus sensors are ingeniously designed, durable and professional high quality security sensor with integrated charging capability, sensors are of smallest size enabling almost invisible protection.
